As set out below in Section 1.2 Specific Requirements	As set out below in Section 'Target Group / Number of Clients'	As set out below in Section titled 'Target Group'	As set out below in Section 2 Geographic Coverage

As well as supporting clients as per the specified areas noted in the table above and further detailed in the identified sections of this Agreement for Funding of Services - Schedule, this Service will support clients, where required, in properties as outlined in Sections 3 and 4 and identified in Attachments 2 and 3.

The Service is required to deliver services in line with Attachment 1 – Specialist Homelessness Services Program Specifications (SHS Program Specifications).

1. SERVICE REQUIREMENTS

1.1 General Requirements

In line with the SHS Program Specifications, this Service is required to deliver services in a person-centred, collaborative and connected way; and deliver culturally appropriate and safe services when supporting Aboriginal or culturally and linguistically diverse persons.

1.2 Specific Requirements

In addition to the general requirements set out in the SHS Program Specifications, this Service is required to meet the following specific requirements.

The Illawarra Women's Homelessness Support Service will assist single homeless women (adults and young women) and women with accompanying children who are escaping domestic and family violence and who are homeless or at risk of homelessness. This will include Aboriginal women and families, and women from culturally and linguistically diverse backgrounds.

The Service will deliver service responses including early intervention, rapid rehousing, crisis and transitional responses, and responses for clients with complex needs. Support will be provided to assist women resolve their housing and other support needs, and be rehoused in a safe environment.

The Service will either provide an immediate intervention and support to enable the client to remain in the family home, or support them to be safely rehoused and supported to resolve the issues impacting on their wellbeing and ability to maintain stable housing.

The client group may be experiencing physical, mental and emotional trauma and have health issues associated with alcohol and other drugs. Accordingly the Service will have a multidisciplinary team of staff with relevant experience and/or qualifications in (though not limited to) counselling, social work, domestic/family violence, sexual assault, child protection, and community welfare, and an understanding of trauma-informed practice and strength-based casework.

In providing a response to domestic and family violence the Service will:

- have systems in place to respond effectively to women and children escaping domestic and family violence. For instance, the Service would have a robust assessment process to determine the most appropriate service response whereby clients' safety is paramount
- recognise that accompanying children may require individual responses that are separate to the response for their parent/s, and would be able to undertake specialised responses or facilitate referrals in order to access the appropriate services
- demonstrate an understanding of the stages that women might go through in relation to leaving violence

- have an understanding and expertise to implement a range of best practice approaches to women and children experiencing domestic violence within different environments, i.e. within a crisis refuge, transitional housing, rapid rehousing, or within the home of the client with the perpetrator removed
- understand that the safety of women and children has to be an overarching principle in all service responses.

- (d) Without limiting anything else in the Agreement, if We hold serious concerns about the provision of the Services, We reserve the right to, with the approval of Our relevant senior executive officer, attend premises or inspect records or documents without prior notice to You. We agree to, where practicable, endeavour to provide reasons upon attending the premises or inspecting the records or documents.

17. Cooperation and assistance

- (a) You agree to provide access at no cost or expense to Us.

18. Notice sent to the DCJ contract management portal

- (a) Unless stated otherwise in this Agreement and subject to clause 23, a notice, request or other communication given under this Agreement may be sent by either party via the Department's contract management portal that has provisions for these notices, requests or other communication to be sent and received;

-
- (b) A notice, request or other communication sent by means of the contract management portal must be signed by a duly authorised representative of the sending party;
 - (c) Without limiting the means by which the sending party may be able to prove that a notice, request or other communication has been received by the other party, it will be deemed to have been received:
 - (i) when the sender receives an automated message confirming delivery (and retains proof of receipt) or
 - (ii) 30 minutes after the time sent (as recorded on the portal from which the sender sent the message) unless the sender received an automated message that the message has not been delivered (and retains proof of such receipt)whichever happens first.

Additional Supplementary Conditions

19. Child Safe Organisations

- (a) Providers that work with children are required to comply with child safe practices as defined by the NSW Office of the Children's Guardian, and the Child Safe Standards <https://www.kidsguardian.nsw.gov.au/ArticleDocuments/838/ChildSafeStandardsGuide.pdf.aspx?Embed=Y> and <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/training-and-resources/child-safe-standards>.

20. Government properties

- (a) For a Provider who has been allocated the management responsibility of government funded community housing capital and/or leasehold properties, the Provider or related legal entity the management responsibility is contracted under will need to be and remain a Registered Community Housing Provider within the meaning of the Community Housing Providers (Adoption of National Law) Act 2012 (NSW).
- (b) Providers who are delivering support services only for clients of government funded community housing properties will work in partnership with a Registered Community Housing Provider, responsible for delivering property and tenancy management services. The Registered Community Housing Provider will either have already had management responsibility over these properties or have a service presence in the local area that the Housing Agency will invite to take on the leasing or funding management responsibility of the properties.
- (c) Where a property portfolio has been linked to the provision of support, it is described in Attachment 2 of the Agreement for Funding of Services - Schedule.

-
- (d) For a Provider who has been allocated the management responsibility of government funded community housing capital and/or leasehold properties, the Provider will enter into a separate Community Housing Assistance Agreement with the Housing Agency for the management of the relevant community housing property portfolio. Where there is any conflict between this document and the Community Housing Assistance Agreement in relation to the management of the property portfolio, the Community Housing Assistance Agreement will prevail.
 - (e) Where there is a community housing property portfolio, it may vary during the term of this funding agreement in property number, location or configuration due to reasons including but not limited to changes in housing supply and strategy and planning requirements. The Housing Agency will keep the Provider informed of any relevant changes and work with the Provider to identify alternative housing arrangement.

21. Subcontracting

- (a) The parties acknowledge that the Provider may enter into a subcontract with other parties in order to fulfil its obligations under this Agreement for Funding of Services – Schedule.
- (b) Where a subcontract has been established, the Provider acknowledges that the decision by DCJ to enter into this Agreement for Funding of Services - Schedule may be based, in part, on the value and quality of the partners annexed to this Agreement for Funding of Services – Schedule, and Clause 6.3 of the Agreement for Funding of Services – Standard Terms.
- (c) Where a subcontract has been established, the Provider must ensure all partner agencies are aware and comply with the obligations expressed within the Agreement for Funding of Services – Schedule and Agreement for Funding of Services Standard Terms Clause 6.3, to the extent it applies to the Services they deliver. For each subcontracting arrangement, applicable terms in the Provider's Agreement for Funding of Services – Schedule and the Agreement for Funding of Services – Standard Terms should be re-stated in the subcontract drawn up and agreed by the Provider and subcontractor.
- (d) The subcontract drawn up and agreed to by the Provider and subcontractor should state steps and timelines for the undertaking of any negotiation/renegotiation process.
- (e) Where a subcontract has been established, the Provider must notify DCJ of any material changes to the subcontract within the duration of this Agreement for Funding of Services - Schedule. If the changes to the subcontract are a material departure from those outlined through contract renegotiations, then DCJ reserves the right (acting reasonably) to terminate this Agreement for Funding of Services - Schedule within the duration of this Agreement, after good faith discussions with the Provider.
- (f) Where a Provider seeks to add a new subcontract to the Agreement for Funding of Services – Schedule for delivery of any

part or all of the services under that Agreement, written consent must first be obtained from DCJ to do so, as per Clause 6.3 of the Agreement for Funding of Services – Standard Terms.

- (g) Where a Provider seeks to end a subcontracting arrangement with a contracted subcontractor, the Provider must be able to present an evidence-based case to DCJ demonstrating they will be able to continue to deliver the contracted service in its entirety without the subcontracting arrangement being proposed for cessation.

22. Co-contributions

- (a) If the Provider agrees to provide co-contributions, they are to be described in Attachment 3 – Co-contributions Schedule, Sections 1 to 3.
- (b) Where co-contributions have been agreed, the Provider agrees to maintain a similar level and type of contributions described in Attachment 3 – Co-contributions Schedule, Sections 1 to 3.
- (c) Where co-contributions have been agreed, the Provider acknowledges that the decision by DCJ to enter into this Agreement for Funding of Services - Schedule was based, in part, on the value and quality of the co-contributions described in Attachment 3 – Co-contributions Schedule and will commit to retaining these co-contributions for the duration of this Agreement for Funding of Services - Schedule.
- (d) If circumstances outside of the Provider's control result in the Provider being unable to provide the co-contributions agreed to and described in Attachment 3 – Co-contributions Schedule, the Provider is required to contact DCJ immediately to negotiate changes to Attachment 3.
- (e) The terms as stated in the Agreement for Funding of Services – Standard Terms Clause 7 will apply, in the event provision of any co-contribution becomes the subject of a Conflict of Interest.

23. Key Program Expectations and related Milestones

- (a) During the term of this Agreement all Providers will be required to work towards progressive achievement of three key expectations, being implemented in SHS to achieve a stronger focus on client outcomes and improved service quality.
- (b) The three key expectations, which sit alongside the SHS program objectives and practice principles and are further outlined in the SHS Program Specifications, are:
- Progress towards gaining ASES accreditation by 30 June 2024
 - Progress towards collecting data for effective measuring, monitoring and reporting on client outcomes
 - Contribution to the Premier's Priority to halve street homelessness by 2025 (where applicable to the service package).
- (c) Deliverables included in Milestone 2 of Table 4 of the Agreement for Funding of Services – Schedule 'Milestones' section will help

guide service delivery towards progressive achievement of the above three key program expectations.

24. Clarification of access to Client Information Management System (CIMS) data and data sharing

- (a) All Providers are required to submit monthly data to the Australian Institute of Health and Welfare (AIHW) via the AIHW Validata portal, consistent with the Specialist Homelessness Services Data Collection (SHSC).
- (b) Providers who use the Client Information Management System (CIMS) (or any system subsequently implemented by DCJ) as their client management system do not need to submit any data to DCJ, as the data will be sourced by DCJ from the system.
- (c) Providers who use a client management system other than CIMS must also submit a copy of the file(s) sent to AIHW, to DCJ through the DCJ Secure File Transfer Protocol (SFTP) portal.
- (d) NSW has obligations under Schedule D of the National Housing and Homelessness Agreement (NHHA) to facilitate, collect, compile and supply homelessness agency, client and support period data to AIHW consistent with nationally agreed standards and specifications. Under the agreement, all funded specialist homelessness services must participate in the SHSC, unless exempted by the Commonwealth. NSW and Commonwealth agree to share SHSC client and agency data and AIHW will provide NSW and commonwealth with access to SHSC data holdings consistent with legislative and privacy arrangements.

25. DVRE/YCAE

- (a) The following Additional Supplementary Conditions apply to Providers allocated Domestic Violence Response Enhancement (DVRE) or Youth Crisis Accommodation Enhancement (YCAE) funding:
 - (i) Providers in receipt of DVRE or YCAE are required to continue delivering services as agreed with DCJ.
 - (ii) Where DVRE/YCAE is consolidated inside a SHS Agreement from 1 July 2021, consolidation is not intended as a means for changing scope of the existing DVRE/YCAE. Expectation is that the DVRE/YCAE focus as agreed between DCJ and the Provider in enhancement agreements to date is retained, and DVRE/YCAE funding continues to support expected DVRE/YCAE service provision.

26. Housing clients

- (a) The Provider must not house women and men in the same property, unless a full risk assessment has determined that there is no unacceptable risk either to them or to other residents.
- (b) This applies to women and men housed both in Government-owned properties as described in Attachment 2 –Property Details,

and non-government properties as described in Attachment 3 – Co-contributions Schedule.

27. Definitions for terms in the Additional Supplementary Conditions

In this Agreement, unless the context indicates a contrary intention:

Subcontract means the formal arrangement established by the Provider by written agreement with another party or parties to deliver the Services outlined in this Agreement.

Community Housing means subsidised accommodation for people on a very low, low or moderate income or people with additional needs, managed by not for profit organisations within the State of New South Wales. Community Housing includes Crisis Accommodation, Transitional Housing, Co-operative Housing, Social Housing and Affordable Housing.

Community Housing Assistance Agreement means, in the case of this Agreement, the agreement between the Provider and the Housing Agency for the management of government funded community housing capital and/or leasehold properties.

Housing Agency means either the Land and Housing Corporation or the Secretary of the Department of Communities and Justice as defined in the Community Housing Providers (Adoption of National Law) Act 2012 No 59, or (in certain circumstances) both of them.

Co-contributions means any non-government property or funding contribution, or other contribution offered or donated by the Provider or a third party and added as a part of the service's contracted delivery via Attachment 3 – Co-contributions Schedule. Other contributions usually relate to a non-financial commitment, and can include but are not limited to a voluntary increase to client numbers, volunteers, and/or in-kind support.

Where this Service is associated with properties listed in the above table, priority must be given to providing support to clients in those properties. However, as outlined in Section 3. Government Properties of the Agreement for Funding of Services – Schedule, support is not limited to being provided in those properties.

A1.1 Properties requiring tenancy and property management and delivery of support services (identified as Property and Support)

Where this Service is identified in the table at A1 above as providing 'Property and Support' for a property, the Provider will be the lessee of the related property. The Service will be responsible for delivery of the property and tenancy management services, as well as the delivery of support services associated with the property. The responsibility for maintenance and upgrade costs for the property will be according to each property's lease with the landlord.

Property management agreements are subject to a separate process to this Agreement for Funding of Services – Schedule.

A1.2 Properties requiring delivery of support services (identified as Support)

Where this Service is identified in the table at A1 above as providing 'Support' for a property, this Service will be responsible only for the delivery of support services associated with those properties. The Service will work in partnership with a Community Housing Provider (CHP), who will be responsible for delivery of the property and tenancy management services. Together the Service and responsible CHP will co-ordinate delivery of the services associated with the properties identified as 'Support'.

A1.3 Government funded leasing subsidy properties

Government funded leasing subsidy means funding provided by DCJ to lease a private market property.

This Service is associated with properties that are leased on the private market using a subsidy funded by the NSW Government.

Properties leased from the private market are subject to change due to changes in the market or the Provider's decisions about client need and service delivery strategies.

Given the frequency of change that is likely to occur, only the total number of properties leased from the private market for this Service are identified in the table below. This Service has nomination rights over the leasehold properties associated with the Service, and is expected to have an understanding of the actual properties that are included in the total property allocation referenced below (including property addresses and configuration).

Agreement for Funding of Services - Schedule

Total No. of properties leased on the private market using a NSW Government funding subsidy	
--	--

Where this Service is associated with properties leased from the private market, the Service will have a protocol in place with the relevant lessor(s) (CHPs) in relation to those properties. During the term of this Agreement the Service is to advise DCJ Contract Management as soon as possible of any change proposed in relation to those properties, and work in consultation with DCJ and the relevant CHP in progressing that change.

If the Service is seeking to manage leasehold properties associated with the Service, the Provider is required to be registered under the National Regulatory System for Community Housing.

If the Service is not seeking to manage leasehold properties associated with the Service, activity will be limited to the provision of support services. DCJ will allocate the tenancy and property management to a suitably qualified and registered organisation chosen by DCJ.

A1.4 Transitional Housing Plus – Women and Children experiencing Domestic and Family Violence, and Vulnerable Youth (Support)

This Service is required to work in partnership with Women's Housing Company (DV) or My Foundations for Youth Housing Company (Youth) to provide longer-term transitional housing support to tenants of the Transitional Housing Plus properties listed in the table below, as agreed with the company and as part of a client case plan. A protocol/letter of agreement/Service Level Letter Agreement will be negotiated between the Service and relevant CHP in relation to the Service's nomination rights on the properties.

Further information relating to Transitional Housing Plus is available in the SHS Program Specifications.
