Dear

# Formal Access Application - Notice of Decision

- 1. I refer to your Formal Access Application under the *Government Information (Public Access) Act 2009* (the GIPA Act), that you lodged with Department of Communities and Justice (DCJ), and your subsequent email dated 20 November 2019, where you confirmed that you were requesting access to a copy of the following information:
  - Documents on the Rentstart Bond Loan Scheme payouts for the 2017/18 and 2018/19 financial years, containing the following information:
    - "The number of people who have been recipients of the Bond Assistance Loan Scheme for each financial year (inclusive);
    - How much each person received as part of the scheme;
    - How many times have they received payouts (specifying the amount);
    - And how much, if any, they have since paid back."

The decision was due to be decided on 4 December 2019.

- Section 53 of the GIPA Act requires that reasonable searches be conducted to identify the government information held by DCJ that falls within the scope of the access application.
- 3. Please be advised that I have liaised with the Family and Community Services Insights, Analysis and Research Unit (FACIAR), DCJ, who were able to source and extract the relevant data/information from DCJ's information technology system HOMES, including DCJ's Electronic Data Warehouse.
- 4. I am authorised pursuant to section 9(3) of the GIPA Act to make a decision in response to a formal access application. I have carefully considered your request in view of the objects of the GIPA Act where you have a legally enforceable right to obtain

information, unless there is an overriding public interest against disclosure of the subject information. Further, I have also considered the requirements of section 74 of the GIPA Act, which provides that an agency may delete information from a record to which access is provided if the deleted information is not relevant, or within the scope of the information applied for, or an agency has decided to refuse access to that information.

- 5. I have decided pursuant to section 58(1)(a) of the GIPA Act to provide you with full access to the information falling within the scope of your access application.
- 6. This is a reviewable decision pursuant to section 80(1)(d) of the GIPA Act.

#### Public interest considerations

- 7. An applicant has a legally enforceable right to access the information requested, unless there is an overriding public interest against disclosing the information (section 9(1) of the GIPA Act). The public interest balancing test for determining whether there is an overriding public interest against disclosure is set out in section 13 of the GIPA Act.
- 8. I applied the public interest test by:
  - a) identifying any public interest considerations in favour of disclosure;
  - b) identifying any relevant public interest considerations against disclosure;
  - c) attribute weight to each consideration for and against disclosure; and
  - d) deciding where the balance between them lies.

### Public interest considerations in favour of disclosure

- 9. The following are a number of public interest factors I considered which favour disclosure of the information requested:
  - Disclosure of the information could reasonably be expected to promote open discussion of public affairs, enhance Government accountability or contribute to positive and informed debate on issues of public importance.
  - Disclosure of the information could reasonably be expected to inform the public about the operations of agencies and, in particular, their policies and practices for dealing with members of the public.
  - Disclosure of the information could reasonably be expected to ensure effective oversight of the expenditure of public funds.

### Access decision

- 10. Having decided pursuant to section 58(1)(a) of the GIPA Act to provide you with full access to the information falling within the scope of your access application, I will now respond to each point of your request in turn:
- 1. The number of people who have been recipients of the Bond Assistance Loan Scheme for each financial year (inclusive)

### **Answer to Point 1:**

The information outlined in the table below is current as at 31 October 2019:

Financial Year	2017-18	2018-19
Number of households		
assisted	11,803	12,853

The reporting is based on 'unique households' which is not the same as 'individuals.' A household could have more than one person in it and some households have received more than one assistance in the requested time periods.

- 2. How much each person received as part of the scheme;
- 3. How many times have they received payouts (specifying the amount);
- 4. And how much, if any, they have since paid back.

## Answer to Points 2, 3 & 4:

Provided alongside this Notice of Decision is a spreadsheet which provides the data/information on active and repaid loans in response to Points 2, 3 & 4 of your request for the period 1 July 2017 to 30 June 2019. This information is current as at 31 October 2019.

## **Review Rights**

- 11. If you are aggrieved by any of the reviewable decisions in this notice of decision, you may seek a review under Part 5 of the GIPA Act, by requesting any one of the following:
  - An internal review that must be lodged with Open Government, Information and Privacy within 20 working days of this notice of decision. You must lodge your internal review at the address shown at the bottom of the first page and must be accompanied by the appropriate application fee of \$40.
  - Alternatively, a request for an external review may be lodged with either the Information and Privacy Commission, or the NSW Civil and Administrative Tribunal. Please note that you must lodge your request for an external review within 8 weeks of this notice of decision.
- 12. If you have any questions regarding this notice, please contact me on telephone (02) 9716 3425.

Yours sincerely
