

## SAMPLE Letter to Carer/s

Dear Carer,

Over the coming months we will be asking you and the child or young person in your care to complete a questionnaire every 6 months as a part of the Quality Assurance Framework (QAF).

The NSW Quality Assurance Framework (QAF) collects key information on how a child or young person is going in out-of-home care (OOHC).

Information will be regularly reviewed by our caseworkers to tailor casework activities, to ensure every child in care has the best possible experience.

Information is presented to caseworkers in categories of:

More information can be found in the enclosed Flyers and on the DCJ website.

We look forward to working with you on this exciting change to our casework practice.

Kind regards
